BACKGROUND AND LEGISLATION

BACKGROUND

The Best Start, Best Life reform will help all Victorian children dream even bigger through increased access to quality early childhood education and care. A critical part of the reform is Free Kindergarten, which will support access to two years of high-quality kindergarten programs for all Victorian children. All families with a child enrolled in a funded kindergarten program are eligible for Free Kindergarten, this includes both 3 and 4-year-old kindergarten programs.

Free Kindergarten supports families to access a funded kindergarten program by:

- providing a free 15-hour program to four-year-old children enrolled at a sessional service
- providing a free 5-to-15-hour program to three-year-old children enrolled at a sessional service (subject to the length of funded program offered)
- offsetting the funded kindergarten program component of parent fees for three and four-year-old children enrolled at a long day care service

Free kindergarten supports every Victorian child to get the best start in life no matter where they live. Research shows that play-based learning is a powerful way to support children's learning and development. Two years of early learning is a crucial part of their educational journey, these benefits last into the school years and beyond.

Regulation 168(2) (n) of the Education and Care Services National Regulations 2011 requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. Any voluntary parent donations and/or fundraising must comply with the Free Kindergarten subsidy guidelines and be responsive to the local community.

that are eligible for Early Start Kindergarten (ESK) will continue to be enrolled, this ensure that service providers receive all funding entitlements and that these children have access to 15 funded hours of kindergarten across Victoria. ESK enrolments contribute to School Readiness Funding (SRF) calculations for service providers. Excursion/service event charge: An additional charge required to meet the cost of special events or excursions that occur in response to emerging children’s program needs. Events that are planned ahead and are included as an expenditure item in the service’s budget do not incur this additional charge (*refer to Excursions and Service Events Policy*)

Free Kindergarten: A Victorian Government initiative providing free kindergarten programs for four-year-old and three-year-old children in funded services
